- Your core response in project (1-2 lines)
- Tools / languages used

EXPERIENCE

Animax Designs   March 2019- May 2019
Assembly technician
Constructed Animatronics Machining, Keenserts, Hilocks, rivets and other aerospace assemblies. Trained in 3d design programs and + two.
- Boosted efficiency by optimizing processes, reorganizing the tool bay, and restructuring parts inventory.

Electronic Insiders Nashville, TN   January 2018- Jan 2019
Operations Manager
Oversaw business operations and the installation team. Ran cables and engaged with low voltage electronics. Arranged rooms for presentations, mounting TVs, and running electric, ethernet, and coax. Installed speakers, sound systems, and wiring racks.

- Fostered a seamless workflow by properly organizing the work environment.

Office Depot Inc. / Office Max; Nashville, TN   October 2013- Dec-2017
 Manager of Technology and Print
Supervised associates in the areas of computer technical services, shipping and receiving, inventory control, and customer service.

- Improved efficiency of operations by restructuring established processes.
- Enhanced performance and employee engagement through training and coaching.
- Spiked sales during promotional events through effective inventory management.

Education

Vanderbilt University Bootcamp Certificate: Nashville, TN
A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Bachelor of Arts in Art - University of Tennessee
Focus in Math and Business
